

# LIVE talk guide

Inspire your Future

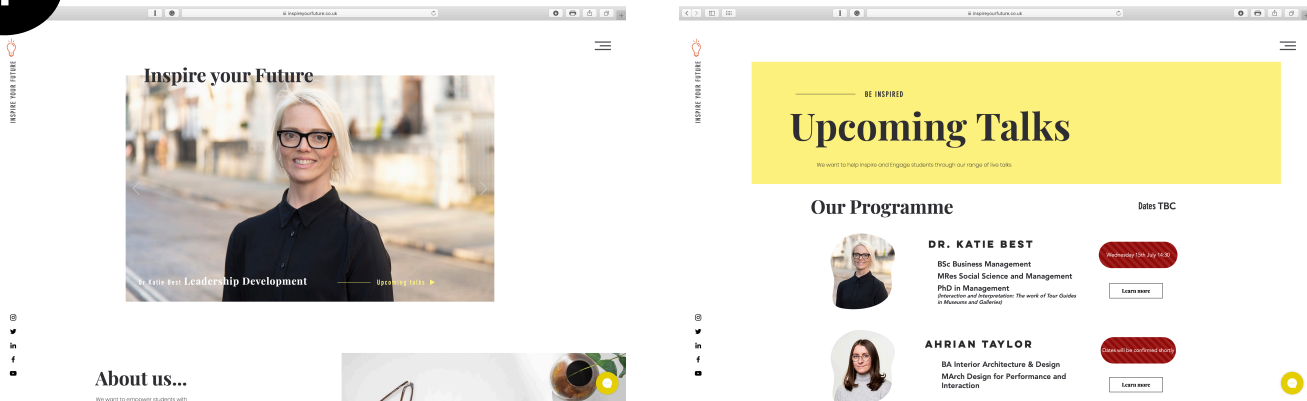

**Thank You for your interest, we hope that our talks are useful and inspiring**

This guide will help you with Joining and participating with our LIVE talks on Microsoft Teams

## What will you need?

- A device with access to the internet (with any browser BUT Internet Explorer)

1

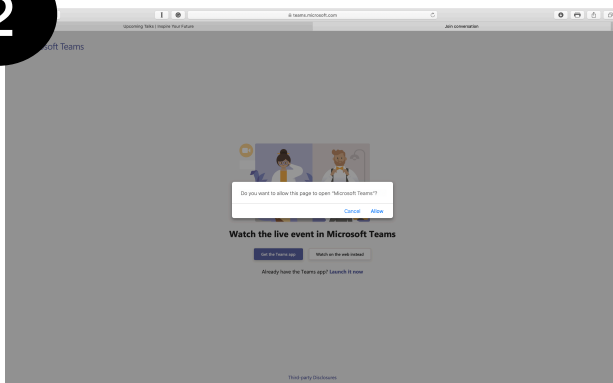

Visit our website and navigate to **Upcoming Talks**

Select the Talk you want to watch - we recommend joining 5 minutes before the talk is due to start

To join click the red button with the date and time of the talk

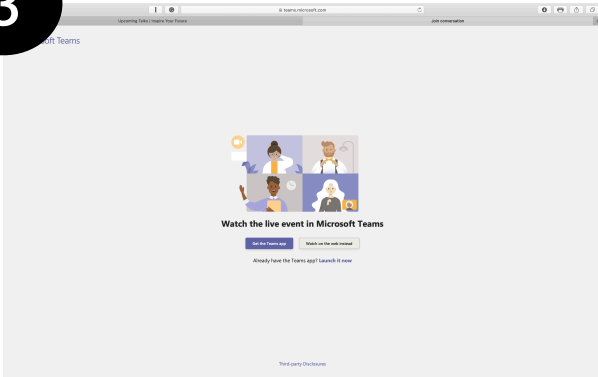

2

If you already have Microsoft Teams you may see this message,

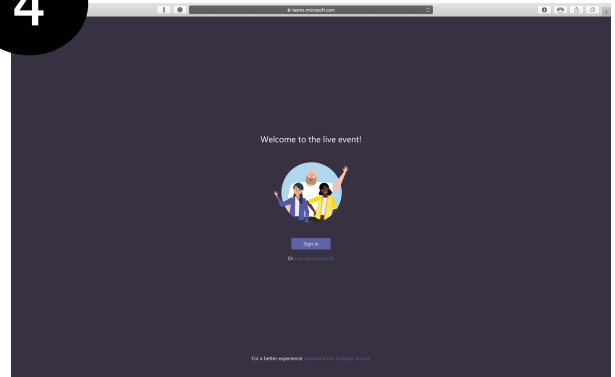

You can continue using the Internet - there is no need to open teams

3

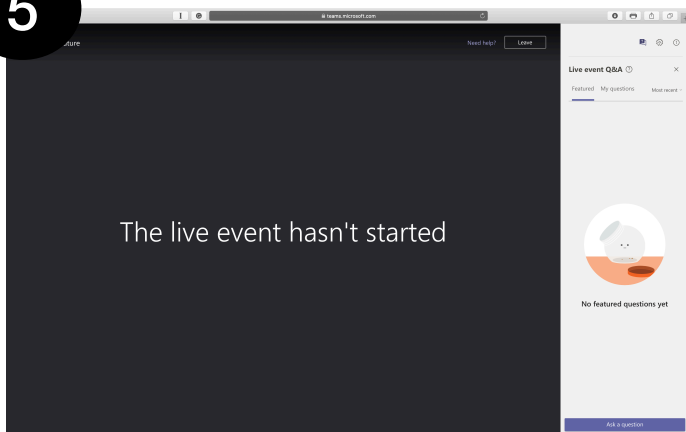

You can select the option to **Watch on the web instead**

4

You will be brought to this page, you can click **Join Anonymously**

5

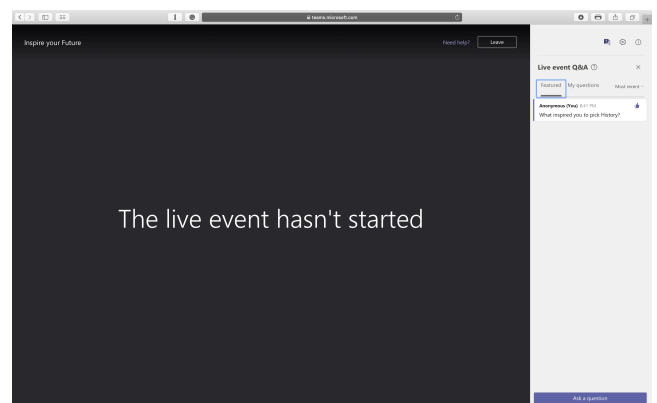

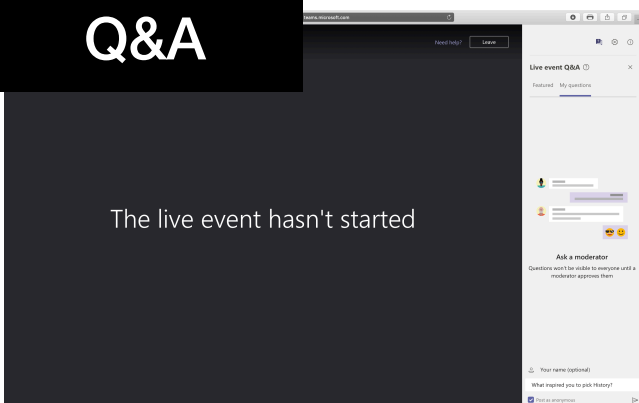

You're In!

When the event starts you will be able to see the LIVE speaker

If you have issues you can refresh the page

Q&amp;A

Remember you can use the Q&A section to post your questions

If you see another great question you can 'Upvote' so we can see the most popular questions

Following the event we will try to answer any question unanswered in the LIVE session
